

March 2021

Recipient: Dennis Bagby

Nomination submitted by: Family Member

Denny was so great with my 17-year-old daughter whom is terrified of doctor offices, smells, lights, etc. He was super with her, firm yet caring, held her accountable yet got the necessary work done. He had a positive attitude and confidence to convince her she could do this! We were blessed to have him as our nurse on February 21st in the ER. Keep up the positive energy & zest for your job Denny! Well done! Thank you!
