

Want to make a difference?

Volunteer opportunities at Mayo Clinic Health System

Hospice at Mayo Clinic Health System is looking for volunteers to provide support to hospice patients and their caregivers in Red Wing and surrounding communities.

Our Hospice volunteers lend companionship to people living with a serious illness and help their caregivers in many ways.

Consider becoming a Hospice volunteer if you enjoy:

- Helping others
- Listening to good stories
- Providing support to patients and their loved ones

Volunteer Training

Interested individuals must attend a training session prior to becoming a Hospice volunteer.

**To register for training or more information
