

## Mayo Clinic Health System — New Prague

# COMMUNITY IMPACT REPORT

Mayo Clinic Health System is a nonprofit organization committed to improving the quality of life, health and well-being of its communities. The organization builds and sustains relationships, and invests in the communities where its patients and staff live and work.

### Community Investments

Mayo Clinic Health System in New Prague contributes to efforts that align with priorities identified from the Community Health Needs Assessments (CHNAs): Improve mental health, reduce chronic disease, and prevent substance misuse and abuse.

Mayo Clinic Health System contributed to many organizations, including:

- Duck Cup Memorial for mental health awareness and suicide prevention.
- Infants Remembered in Silence for support, education and resources for families who experience an infant death.
- New Prague Area Chapter of PFLAG (Parents, Families and Friends of Lesbians and Gays) through the EverybodyIN Fund for Change.
- Reach Out and Read Program for books that are distributed for free at well-child visits.

### Service Highlights

Mayo Clinic Health System is invested in the New Prague community:

- Added Mayo Clinic Cardiology, Neurology and Urogynecology outreach services.
- Added Podiatry services.
- Broke ground on new operating rooms and a Surgical Services facility remodel.
- Distribute free books at well-child visits through the Reach Out Read Program.
- Established a drive through COVID-19 testing site.
- Provided nearly \$1 million through Mayo Clinic Health System's charity care program, which provides local access to care for all, regardless of ability to pay.

# Community Partnerships

Mayo Clinic Health System partners with stakeholders from key organizations throughout the region, including a variety of community-based organizations focused on health and wellness.

## Examples include:

- Fitness & Aquatic Center
- New Prague Chamber of Commerce

## COVID-19 Partnerships

- Partnered with Le Sueur County Public Health and Aging Services for Communities to distribute senior isolation kits to homebound seniors, which provided mental stimulation and community resources.

Thank you Minnesota Air National Guard for recognizing the hard work of our employees during the COVID-19 pandemic.

## Community Involvement

Staff donated over **550 pounds** of personal care items to The Peace Center

Medical experts, staff and health care leaders

### GAVE TIME TO SUPPORT

- Community Presentations
- Volunteerism
- Board Service

## COVID-19 Pandemic Response

Mayo Clinic Health System locations changed how health care was delivered during COVID-19 surges so they could continue safely providing health care. Activities included establishing COVID-19 testing sites, implementing virtual options for visiting patients and appointments, and working with local health departments.

Mayo Clinic Health System is proud to work alongside the community to safely and successfully move through the COVID-19 pandemic.
