

# Mayo Clinic Health System — Northwest Wisconsin COMMUNITY IMPACT REPORT

2021

Mayo Clinic Health System is a nonprofit organization committed to improving the quality of life, health and wellbeing of its communities. Investing in the communities where our patients and staff live and work enhances the quality of life and contributes to vibrant communities.

Mayo Clinic Health System  
awarded nearly  
**\$789,000**  
to more than  
**220 Organizations**

## Community Investments

Mayo Clinic Health System is proud to invest in local initiatives in the communities it serves, including:

- \$200,000 in Hometown Health grants
- \$124,000 to public libraries
- \$100,000 to support school districts
- \$33,000 to support chamber of commerce and service organizations
- \$25,000 to high school health care career scholarships
- \$19,000 to rural emergency medical services support
- \$11,000 to UW-Eau Claire Foundation health care scholarships
- \$10,000 to the American Red Cross

## Season of Gratitude

Mayo Clinic Health System awarded \$50,000 to support programs that focus on housing assistance and homelessness in Northwest Wisconsin.

Staff voted to determine how the dollars should be spent in their local communities.

### \$10,000

- Benjamin's House Emergency Shelter
- Dunn County's Stepping Stones Shelter Program
- L.E. Phillips Career Development Center's 100 Nights of Shelter Program
- Western Dairyland Community Action Agency's homeless shelters

### \$5,000

- Eau Claire Area School District's homeless program
- Family Promise of the Chippewa Valley's Beacon House

# Community Partnerships

Mayo Clinic Health System has strategic partnerships with local officials and over 250 stakeholders from organizations across the region, including chambers of commerce, free clinics, homeless shelters, local public health agencies, Project SEARCH, school districts, United Way, universities and technical colleges, youth-serving agencies and a variety of community benefit organizations focused on health and wellness. We collaborate with community stakeholders, develop and implement programs, and participate in activities that improve community health and address social determinants of health.

Staff CONTRIBUTED  
more than:

**5,000 Hours**

to community presentations,  
board service, education  
and committee work  
as well as over

**\$100,000**

to United Way

## Community Involvement

Mayo Clinic Health System is involved in the community in a variety of ways, including:

- Contributed over 5,000 hours of medical expert, staff and health care leader time in the form of community presentations, board service, student teaching and mentoring, and committee work
- Contributed over \$100,000 of staff donations to the United Way campaign
- Hosted virtual community forums and educational webinars
- Provided medical leadership and consultation regarding COVID-19 to local organizations throughout the pandemic, including K–12 school districts, nursing homes and universities
- Hosted the self-directed Slim Your Screen Time and Fall Into Wellness virtual programs

## COVID-19 Pandemic Response

Mayo Clinic Health System supported numerous COVID-19 activities, including:

- Partnered with local organizations to quickly vaccinate eligible community members as COVID-19 vaccines became available and eligibility guidelines changed
- Vaccinated more than 900 staff, students and community members at the University of Wisconsin-Stout through a vaccine clinic partnership with the university and Dunn County Public Health
- Delivered regular COVID-19 updates to local chambers of commerce, elected officials, service organizations, school districts and other community stakeholders
- Provided free Get It campaign yard signs for local businesses and homes to encourage COVID-19 vaccinations. Signs were available in English, Somali and Spanish

Get it for **what** you love. Get it for **who** you love.  
Get it for your **co-workers** Get it for your **customers**.  
Get it for **family** time. Get it for time with **friends**.  
Get it to come **back**. Get it to move **forward**.

Get the **COVID vaccine** ~~when~~ it's your turn.  
A Community of Immunity.
